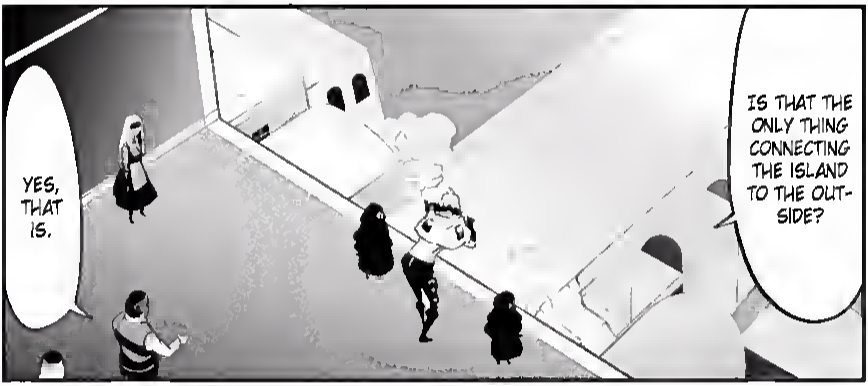
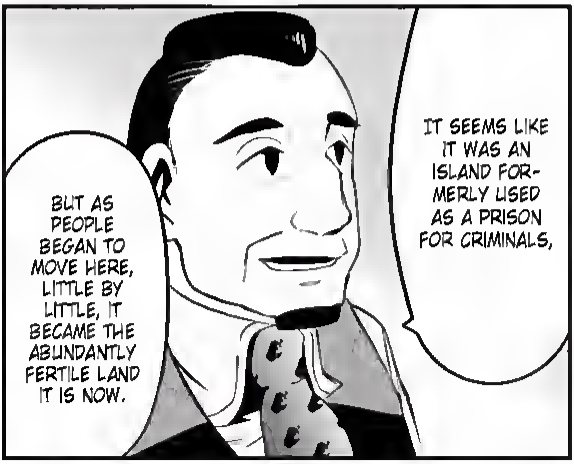
CONTRAPPOSTO GAIT
MM~

THAT WAS AN AMAZINGLY LONG BRIDGE~



YES, THAT IS.
IS THAT THE ONLY THING CONNECTING THE ISLAND TO THE OUTSIDE?

OUR CHIEF PRODUCT IS THIS FRUIT HERE...
SHLINGG!

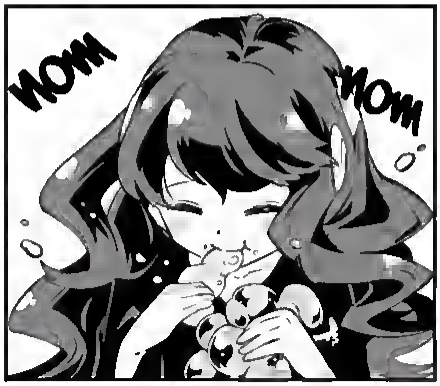


BUT AS PEOPLE BEGAN TO MOVE HERE, LITTLE BY LITTLE, IT BECAME THE ABUNDANTLY FERTILE LAND IT IS NOW.
IT SEEMS LIKE IT WAS AN ISLAND FORMERLY USED AS A PRISON FOR CRIMINALS,

AH, BUT PLEASE DON'T WORRY. WE'VE PREPARED ENOUGH TO GIVE YOU, SUBJUGATOR-SAN!
BUT WE'VE HAD POOR HARVESTS FOR THESE PAST FEW YEARS, SO...
BECAUSE IT CAN ONLY BE GROWN HERE, IT'S A HIGHLY PRIZED PRODUCT,
IT'S A RATHER REMOTE PLACE, BUT PLEASE TAKE IT EASY AND REST, SUBJUGATOR-SAN.
PEOPLE CALL THIS TOWN BY THE NICKNAME OF "WATER-BOUND TOWN."
.....
REALLY?
THAT'S QUITE A STYLISH NAME, ISN'T IT?

TO RECEIVE SUCH VIP TREATMENT JUST BY MENTIONING THAT I'M A SUBJUGA-TOR.
BUT MY~ IT'S THE BEST!

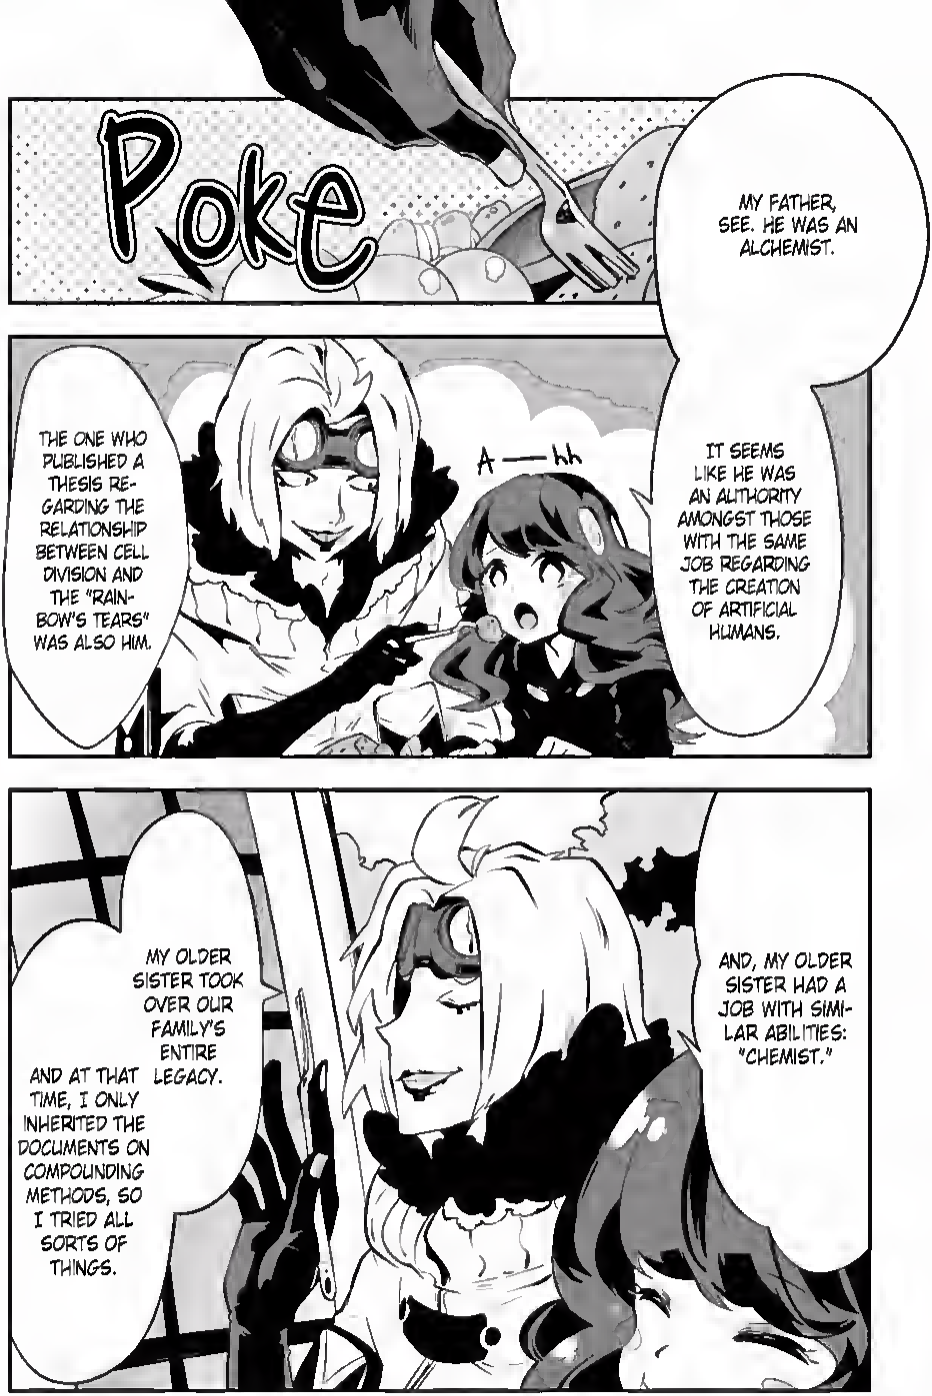
I HAVE YOU TO THANK FOR THAT, CROSS-CHAN! OHOHO!



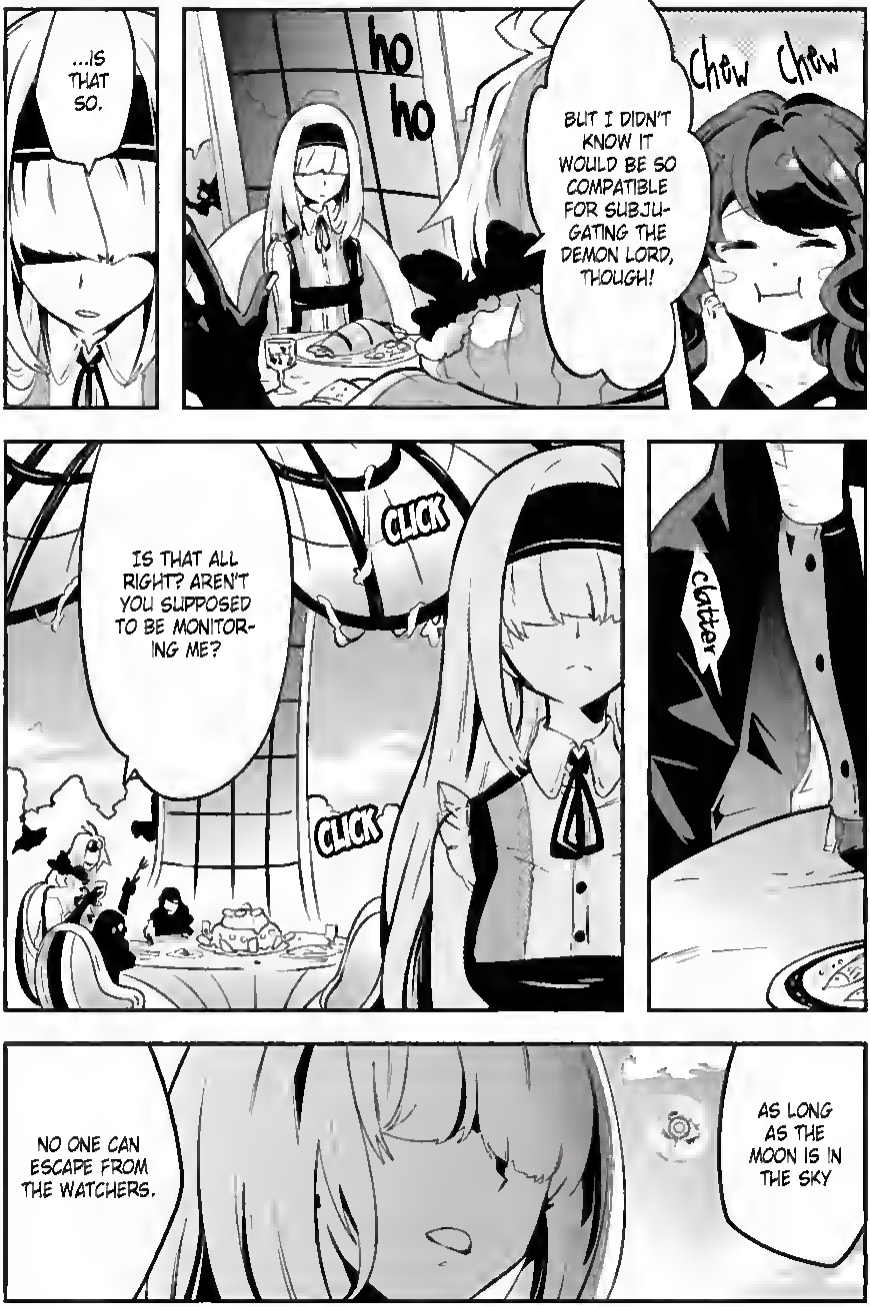
MOM
MOM

I CAN'T SAY THAT IT'S TO THE POINT THAT I LEARNED IT, EXACTLY.
ALL I DID WAS GATHER THE KNOWLEDGE OF THE METHOD AND THE NECESSARY MATERIALS.
mag mag
WHERE DID YOU LEARN THAT ALCHEMIST'S SKILL FROM?
BE THAT AS IT MAY, PEOPLE WOULDN'T BE ABLE TO USE OTHER JOBS' SKILLS IF THEY DIDN'T HAVE THE TALENT FOR IT.
shake
shake
WAWAH
CLATTER
Hmph.
AAH, NO, NO!
I REALLY HATE THE WORD "TALENT."

MBC



Poke
MY FATHER, SEE. HE WAS AN ALCHEMIST.
IT SEEMS LIKE HE WAS AN AUTHORITY AMONGST THOSE WITH THE SAME JOB REGARDING THE CREATION OF ARTIFICIAL HUMANS.
A——hh
THE ONE WHO PUBLISHED A THESIS REGARDING THE RELATIONSHIP BETWEEN CELL DIVISION AND THE "RAINBOW'S TEARS" WAS ALSO HIM.
AND, MY OLDER SISTER HAD A JOB WITH SIMILAR ABILITIES: "CHEMIST."
MY OLDER SISTER TOOK OVER OUR FAMILY'S ENTIRE LEGACY.
AND AT THAT TIME, I ONLY INHERITED THE DOCUMENTS ON COMPOUNDING METHODS, SO I TRIED ALL SORTS OF THINGS.



...IS THAT SO.
ho ho
BUT I DIDN'T KNOW IT WOULD BE SO COMPATIBLE FOR SUBJUGATING THE DEMON LORD, THOUGH!
Chow Chow
IS THAT ALL RIGHT? AREN'T YOU SUPPOSED TO BE MONITORING ME?

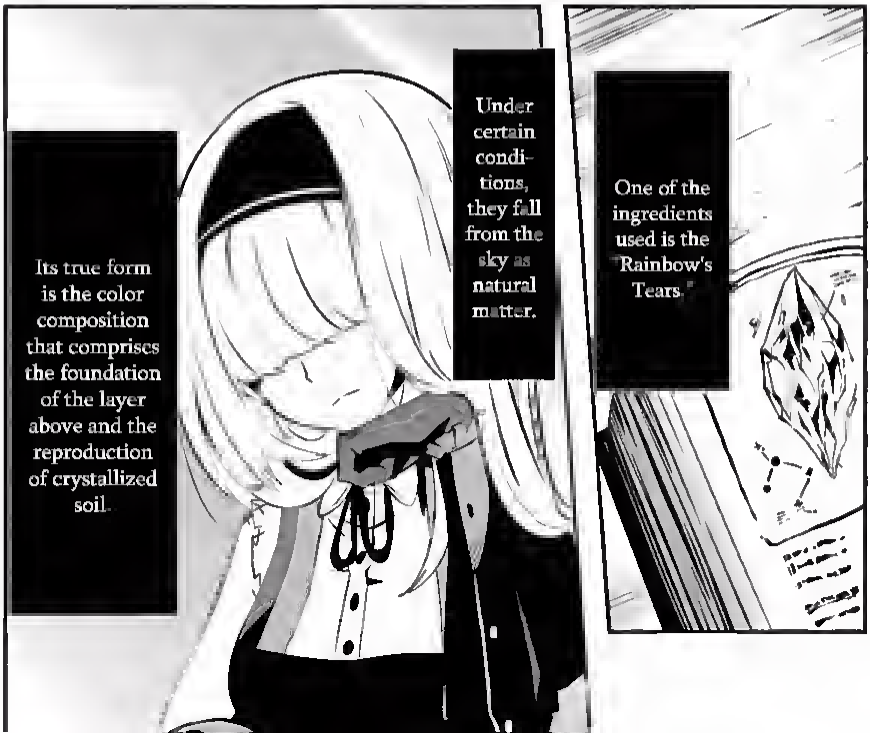
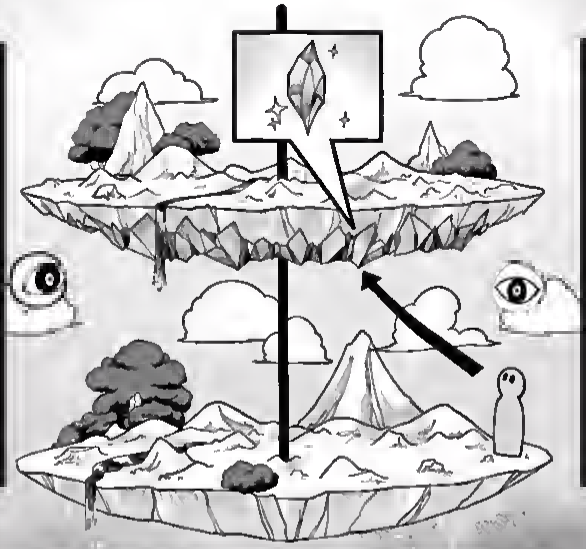
Alchemist Skill
As long as they know the compounding method, even those who don't possess the job can use this skill though their level of completion is greatly diminished.
Homunculus Farmer



Its true form is the color composition that comprises the foundation of the layer above and the reproduction of crystallized soil.
Under certain conditions, they fall from the sky as natural matter.
One of the ingredients used is the "Rainbow's Tears."

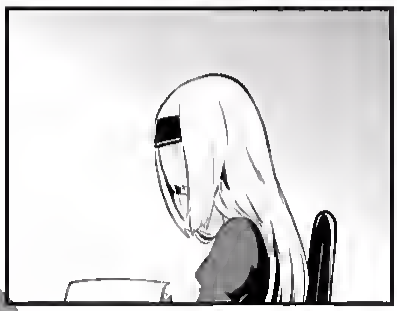
Its hues and brightness are decided by the placement of the moon and are expressed in the "sky" of the layer below.

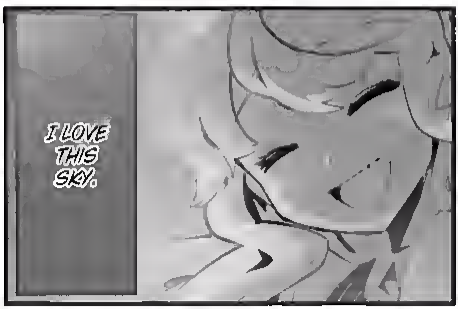


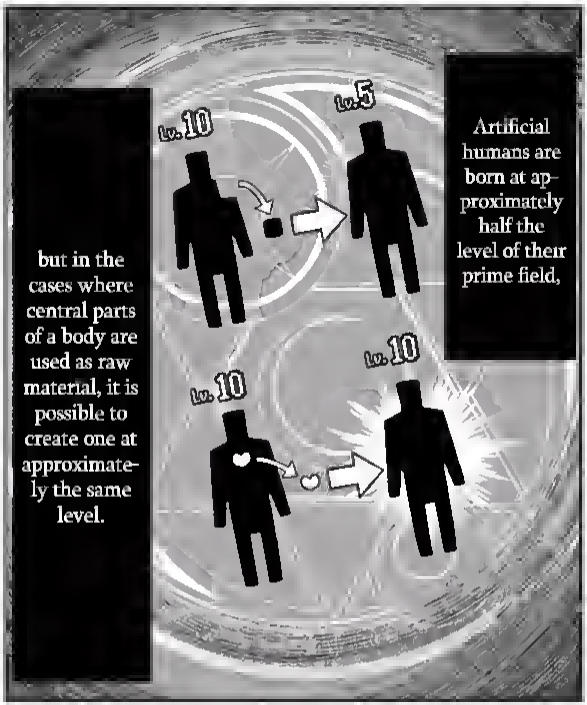
It possesses the nature of turning into any color that exists on the underside of the layer above.

Putting the "Rainbow's Tears" under high pressure and compounding materials at the same time while using it for cell reproduction and the acceleration of the cells' ontogenesis is one of the quickest ways of creating an artificial human.

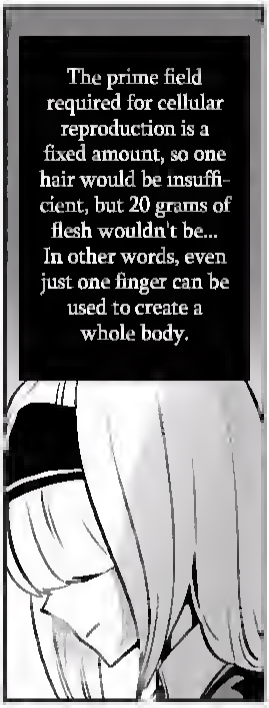
Also, it reacts with the soil matter in the vicinity, possesses the function of "reproduction," and strengthens the layer's foundation.







Lv. 10
Lv. 5
Lv. 10
Lv. 10
but in the cases where central parts of a body are used as raw material, it is possible to create one at approximately the same level.
Artificial humans are born at approximately half the level of their prime field,



The prime field required for cellular reproduction is a fixed amount, so one hair would be insufficient, but 20 grams of flesh wouldn't be... In other words, even just one finger can be used to create a whole body.

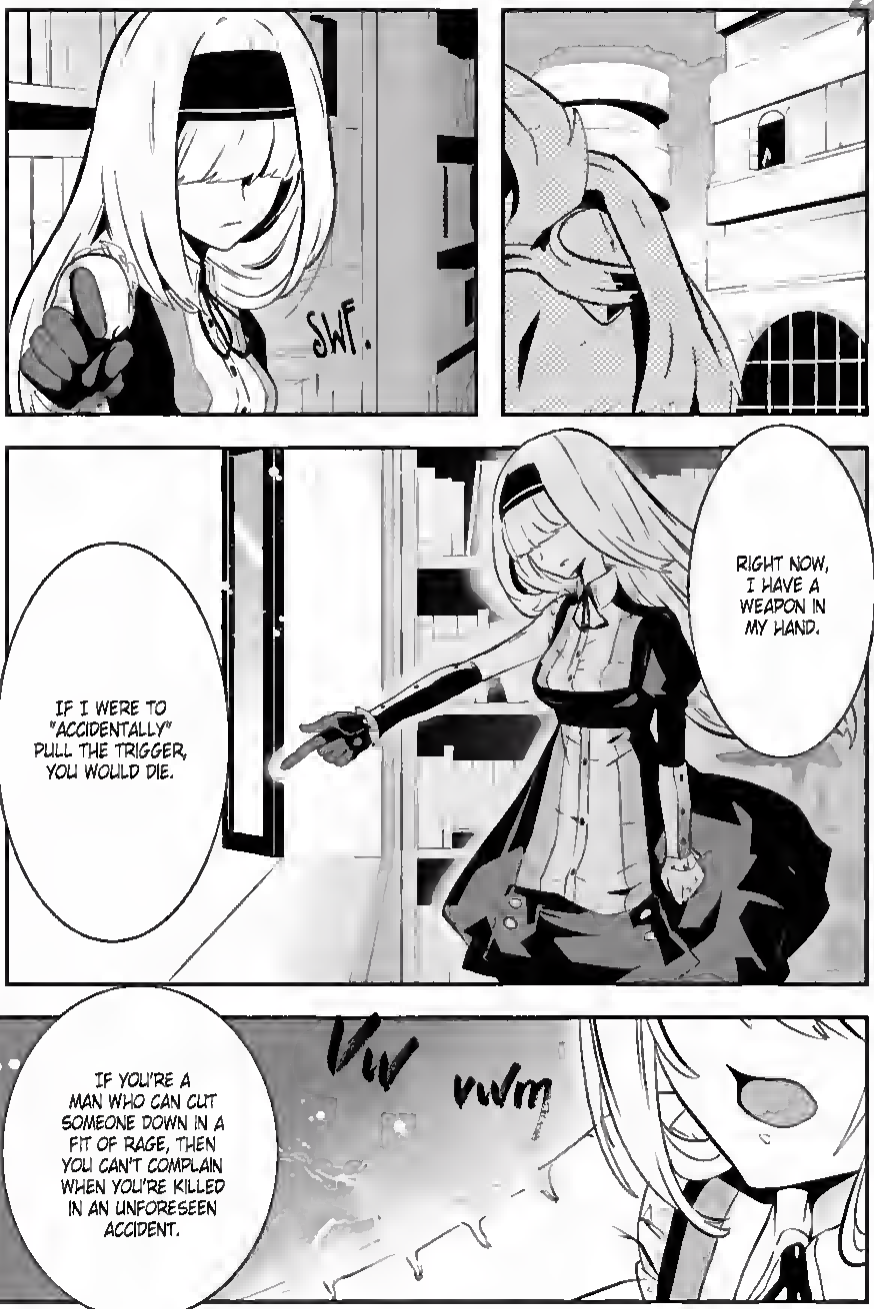
SHING
THANK YOU!!
ALRIGHT, HERE YOU GO.



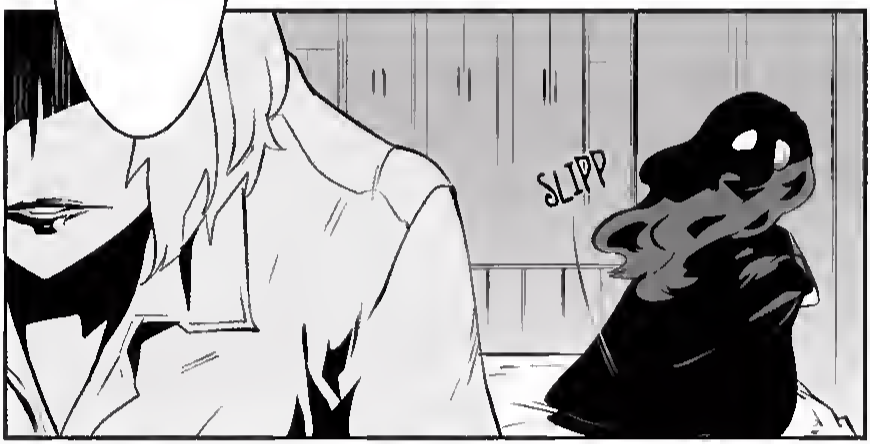
SWF.
RIGHT NOW, I HAVE A WEAPON IN MY HAND.
IF I WERE TO "ACCIDENTALLY" PULL THE TRIGGER, YOU WOULD DIE.
IF YOU'RE A MAN WHO CAN CUT SOMEONE DOWN IN A FIT OF RAGE, THEN YOU CAN'T COMPLAIN WHEN YOU'RE KILLED IN AN UNFORESEEN ACCIDENT.

swf...
STEP

WHEN YOU'RE JUST AN INCOMPLETE ARTIFICIAL HUMAN...
DON'T LOOK AT ME WITH THAT FACE

ZZZ
.....
I ONLY HAVE A FEW CRYSTALS LEFT.
WE'RE ALSO AT THE LIMIT OF HOW LONG WE CAN PRESERVE YOUR FLESH FOR.
SQUEEZE

ARE THINGS
REALLY ALRIGHT LIKE THIS...?



SLIPP
